

1D Parade = 1D Musical - You Can't Stop 1D!!!

19 Feb 09

HTYC English week Parade Practice of 1D Musical 2008-09 on 02 Feb 09

My Reflection: (100 words)

It all came of a sudden news that we needed to make a performance for ID Parade - ID Musical on English Week. Firstly, we were very nervous and didn't know what to do. Luckily, Mrs Bonteiller gave us some invaluable advice and inspired our thinking. We started doing our own job. During the rehearsal, we found two breakdancers in ID and also many exciting and surprising discoveries. It is said that 'You Can't Stop ID!'. That means we had to put a lot of efforts and at the same time build our friendships, making ID more energetic and stronger. We also mastered the true meaning of teamwork in ID Musical. In the parade, we also gained some meaningful learning experience. Therefore, we believed that the best award

certificate is ours. And it did. We made a fantastic result and
proved that ID is unstopable! 'You can't stop ID!!' Yeah!!!
